LOOKING FORWARD, LOOKING BACK

As we look forward to a new year, we also look back on the past year's accomplishments.

Members of Patient Care at the Third National Hospital Survey of Safety (July 2019 to July 2020). The American Society of Health Care Administrators (ASCHA) and the American Hospital Association (AHA) joined forces to conduct the survey. Together with the National Center for Patient Safety, we are proud to have been a part of this important initiative.

Looking Forward: When we are back in July & November, we will be celebrating our progress in patient care, safety, and quality. We will be celebrating the fact that we are looking back on a year of progress. The Quality & Patient Safety Committee (Q&PSC) is proud to have been a part of this important initiative. We will be celebrating the fact that we are looking back on a year of progress. We will be celebrating the fact that we are looking back on a year of progress.
